NOTE.—Under the existing Regulations Astronomy is prescribed as one of the optional subjects for the B.A. (Hons.) Degree Examination in Mathematics. The Board of Studies in Mathematics (Honours and Post-Graduate) recommended at its last meeting that Astronomy should be made a compulsory subject of study for the B.A. (Hons.) Degree Examination to remove the anomaly that while the Pass graduates know the Elements of Astronomy the Honours graduates are ignorant of the same. According to the recommendation of the Board, there should be an additional paper on Astronomy for the B.A. (Hons.) Degree Examination in common with the B.A. (Pass) Degree Examination. Subsequently the matter has been considered in detail at a meeting of the teachers of the University Colleges who are members of the Arts and Commerce Faculties under the amended Act and in the light of the discussion that took place at the meeting, the Chairman of the Board of Studies in Mathematics (Honours and Post-Graduate) recommended that Astronomy with all the syllabus prescribed for study as an optional subject now may be made compulsory for the B.A. (Hons.) course in Mathematics. The above amendments to Regulations are based on his revised recommendations which have been approved by the Syndicate.

MADRAS UNIVERSITY STUDENTS' INFORMATION BUREAU.

President: The Vice-Chancellor of the University of Madras (ex officio).

Vice-President: The Director of Public Instruction, Madras (ex officio).

Secretary: Dr. C. Achyuta Menon, B.A., Ph.D. (Lond.), Head of the Malayalam Department, University of Madras, Madras.

The main functions of the Bureau are—

(1) To furnish information and advice to Indian students going to England or other countries abroad for general and technological studies.

(2) To circulate to colleges and other educational institutions in India information of a helpful character collected by the Central Bureau in London concerning the educational, financial and social facilities obtaining in educational centres outside India.

(3) To communicate with the Central Bureau on behalf of students before they start or on behalf of their parents when they are abroad.

(4) To advise prospective candidates for the Indian Civil Service and other competitive examinations held in Delhi.

Students of the Madras Presidency—and of the Indian States whose colleges are affiliated to the Madras University—who contemplate going to England or other countries for further study, and relatives and friends of those who have already gone, are invited to correspond with the Secretary, Room No. 6, New University Buildings, Chepauk, Madras, from whom all necessary information can be obtained.

As all private applications from students sent direct to the Educational Adviser in London or to Educational authorities in Great Britain are forwarded to the Secretary of the Madras University Students' Information Bureau for his enquiry and recommendation, much inconvenience and delay will be saved for students by their getting into touch with the Secretary at Madras.

The Bureau maintains a small library consisting of the prospectuses, syllabuses and calendars of educational institutions and Universities in Great Britain, America and other countries, and students and other enquirers will be allowed the use of the library on all week days—excepting holidays—between 11 a.m. and 4 p.m.

Candidates seeking advice from the Secretary of the University Students' Information Bureau may interview him by previous appointment between 4 and 5 p.m. on working days in the New University Buildings, Chepauk.

5. Candidates whose Examinations, either Written or Oral and Practical, cannot be arranged for at any place must, at their own expense, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear. The Oral and Practical Examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—To guard against disappointment in the case of such of the Oral and Practical Examinations as may be held either before or after the Written Examinations, candidates are recommended to refer to Part I-B of the *Port St. George Gazette* from time to time as no intimation will be sent to them.

SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

6. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Lower grade.	Higher grade.
Rs.	Rs.	Rs.
For each subject	6	12

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

7. Candidates who have passed in the Second class in any subject and grade may come up to qualify for the First class in that subject and grade on paying the full examination fee prescribed therefor.

N.B.—Candidates coming under this category must specify accordingly in their applications.

8. (a) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fee should send in

specified under paragraphs 18 and 19) their applications through the head of the office, in which they are employed, together with a certificate from the appointing authority to the effect:—

(i) That the candidate is at the time of the application undergoing probation and training and that a pass in the Government Technical Examinations (subjects with grade to be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees:—

(1) the specific clause (vide (i), (ii) and (iii) above) under which the applicant's case is covered,

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees

previous to his applying now; or if the fee paid, was ever at any time previous to this refunded to him, the year and the session of examination to which such refund related as also the amount of refund made in respect thereof

(c) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidate to obtain one afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required above, the applicants will distinctly understand that their cases will not be considered

11. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Reserve Bank of India, and the receipt (supplied to candidates along with forms of application) signed and given by the Treasury Officer or the Reserve Bank of India attached to the application, which in every case must reach the Commissioner's Office on or before the 10th August.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date for receipt of applications (vide paragraph 13).

13. On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt so obtained to this office at once, care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.

14. The fee paid, will not ordinarily be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. To admit of the applications reaching the Secretary to the Commissioner for Government Examinations on the due date, candidates should remit their fees sufficiently early, even three or four days before the latest date so that the applications together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

Registrar.

ANDHRA UNIVERSITY.

Instructions to candidates appearing for the examinations to be held in 1943.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers. They should also fill in the subject and the year on the outer cover of the answer book.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, card-board, manuscript, or paper of any description and from making use of any of those otherwise introduced into the room by themselves or by anyone else; from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Chemical Technology and Geography of the Intermediate, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.Sc. and Pre-Registration (Medicine) examinations.

9. Candidates for examination in Science subjects shall submit their laboratory note-books to the examiner concerned on the first day of the practical examination. Each of the candidates taking Botany as the main subject for B.Sc. Degree Examination must submit at the practical examination his laboratory note-book, a collection of the named plants collected and preserved by himself and a record of the field work. *The candidates should get back the laboratory note-books at the close of the examination.*

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is required to the instructions regarding rough working and loose sheets of paper printed on the answer books. *Answers should be written on both sides of the pages of the answer book. All rough work must be done on the right hand side of the problem itself leaving a margin for that purpose with the heading "Rough Work" underlined. The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer. No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.*

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets three days before the commencement of the respective examinations. *Any particulars noted in the hall ticket differing from those given in the application for the examination should be immediately reported to the Chief Superintendent by the concerned candidate.*

It will not be permissible for candidates to sit for the examination at a centre other than that at which their names are registered without the special permission of the University. No permission for change of centre will be granted after the applications are registered.

14. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. The officer from whom the identification certificate is produced shall however be the Principal of a college or a Government officer of rank not less than that of a Sub-Magistrate.

Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

Answers should be written on both sides of the pages of the answer book. All rough work must be done on the right hand side of the problem itself leaving a margin for that purpose with the heading 'Rough Work' underlined. The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer. No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

The ensuing public examination in connexion with the Secondary School-Leaving Certificates will be held on Monday, the 20th March 1944, and succeeding days. A time-table will be published in the *Fort St. George Gazette* early in March next.

2. Candidates who have appeared once for the Madras Secondary School-Leaving Certificate Public Examination may appear for subsequent examinations as 'private' candidates. Candidates who have once appeared for the European School-Leaving Certificate Examination may also appear for the Madras Secondary School-Leaving Certificate Public Examination as 'private' candidates one year after their first appearance for the European School-Leaving Certificate Examination. *The rule cannot be relaxed in any case.* No special permission of the Secretary is necessary.

Under paragraph VIII (2) of the 1929 scheme for the Award of Secondary School-Leaving Certificate, the number of times which a candidate may appear for the Public Examination is limited to three on the whole.

Candidates who appeared for the Public Examination in 1931 or previous years will, for the purpose of this rule, be treated as having appeared for the Public Examination once, whatever may be the number of times they might have sat for the examination, and will be eligible for re-examination.

There is no further chance for a candidate who has appeared three times either as pupil or as private candidate for the Secondary School-Leaving Certificate Public Examination reckoning from 1931.

3. No person who is eligible to appear for the examination as a 'private' candidate with reference to the above paragraph will be admitted as such, if his name is on the rolls of a school during any part of the school year 1943-44, even a day's attendance recorded in the school year will disqualify a candidate to appear as a private candidate. THE APPLICATIONS OF PRIVATE CANDIDATES SHOULD BE ACCOMPANIED BY SECONDARY SCHOOL-LEAV-

ING CERTIFICATES, TREASURY RECEIPTS AND 'TRANSFER CERTIFICATES' OBTAINED FROM THE INSTITUTION WHEREIN THEY LAST STUDIED, AS OTHERWISE THEY WILL RUN THE RISK OF BEING REJECTED.

4. Candidates will be examined only under the 1929 scheme.

(a) The names of all subjects in which they wish to be examined should be written in the appropriate column exactly as described in the scheme.

NOTE.—The language through which the question papers in the several non-language subjects will be answered should invariably be specified against each subject in bracket as follows:—

"Elementary Mathematics (in Telugu)."

"Outlines of History of England and India (in Malayalam)," etc.

If the language is not specified, it will be taken for granted that the medium of the answers will be English.

(b) For information regarding text-books in English and other languages, Special Periods in History of England and in History of India, etc., the notifications relating to the examination under the scheme published from time to time in Part I-B of the *Fort St. George Gazette* must be referred to.

(c) For any further information that may be required and for the syllabuses for the several subjects, candidates are referred to the notification and examination rules regarding secondary school-leaving certificates, copies of which can be had on payment at the Government Branch Press, Mount Road, Madras. No copies can be had from this office.

(d) Candidates who do not intend to undergo a University Course of study, may bring up the subject or subjects in which they obtained low marks at a previous examination with a view to improve their certificates provided they fulfil the prescribed conditions of admission to the examination.

5. (1) All mufassal candidates should apply for the required application forms to the officer in charge of the treasury of the taluk of which they are residents or of the district to which they belong. If application forms are not available at the taluk sub-treasury, they should apply immediately to the Treasury Officer of the district. Candidates in the Pudukottai State should obtain the same from the Resident's Treasury, Trivandrum; those in Bangalore from the Hon'ble the Resident's Treasury, Bangalore; and those in Mercara from the Commissioner of Coorg, Mercara. *Candidates who are residents of Madras* should apply for application forms to the office of the Commissioner for Government Examinations, Madras, and not to the Collector of Madras.

NOTE.—An addressed envelope (with the required postal stamp affixed) should invariably accompany all requisitions for forms of application. No notice will be taken of a requisition not accompanied by a stamped envelope.

N.B.—No notice will be taken of any application from mufassal candidates requesting to be supplied with application forms from this office.

(2) *Fees to be paid.*—The fee to be paid by each candidate appearing for the Public Examination is Rs. 15; the fee for re-examination in a subject or subjects in which a candidate has already been examined by the Board is also Rs. 15, but a candidate who merely presents additional subjects in which he has not been examined previously will have to pay a fee of Rs. 3 for each, provided that no one will have to pay more than Rs. 15 on any occasion.

N.B.—Change of second language (for instance from Sanskrit to Telugu or from Tamil to Telugu under group A) cannot be considered as a fresh subject for purposes of this rule. Candidates who wish to appear with such a change in the second language under group A should remit Rs. 15.

(3) The prescribed fee must be paid into a Government treasury in the mufassal and into the Reserve Bank of India, Madras, at Madras. No fees will be received in the Commissioner's Office.

6. (a) Candidates will have to sit for examination at one of the institutions which present pupils for the Secondary School-Leaving Certificate Public Examination. The institution selected should be the one nearest to the place where the candidate is employed, or if he is not employed, nearest to his place of residence.

(b) Hall tickets will be issued to all 'private' candidates in March next. They should sit for the examination at the centre mentioned in the tickets and not in their applications. Candidates should take the tickets with them to the examination hall and should show them to the Superintendents whenever demanded by them. No notice will be taken of any letter from any candidate requesting to note the change in his address. They should request the postmaster concerned to redirect any communication from this office to their new address, if any.

7. Candidates should send in their applications direct to this office not later than the 30th September 1943 after which date and for fifteen days only, applications will be entertained on payment of a penal fee of rupee one and no such applications will be entertained after the lapse of fifteen days from the prescribed date. THE

TREASURY RECEIPT FOR THE FEE PAID, THE 'TRANSFER CERTIFICATE' AND THE SECONDARY SCHOOL-LEAVING CERTIFICATE SHOULD BE SECURELY FASTENED TO THE APPLICATION. THE COVER CONTAINING THE APPLICATION SHOULD BE SENT TO THE UNDERSIGNED, POST PAID, SUPERSCRIBED AND ADDRESSED AS FOLLOWS:—

"Application for admission to the Secondary School-Leaving Certificate Public Examination—Private candidate.

To

The Secretary to the Secondary School-Leaving Certificate Board, Cathedral Post Office (Madras)."

Insufficiently stamped covers will be rejected.

TO ADMIT OF THE APPLICATIONS REACHING THE SECRETARY, S.S.L.C. BOARD, ON THE DUE DATE CANDIDATES SHOULD REMIT THEIR FEES SUFFICIENTLY EARLY, EVEN THREE OR FOUR DAYS BEFORE THE LAST DAY SO THAT THE APPLICATIONS TOGETHER WITH THEIR ENCLOSURES MAY REACH THIS OFFICE ON OR BEFORE THE APPOINTED DATE FOR RECEIPT OF APPLICATIONS.

8. The fee paid will not ordinarily be refunded, nor will it be reserved for a subsequent examination. Candidates are warned to study the notification very carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination.

9. Candidates anxious to assure themselves that their applications have been received should enclose an addressed postcard in their respective applications. The postcards should bear the sender's address only and no other writing. Such postcards will be returned to them in due course with the rubber stamp of the office impressed upon them. No other form of acknowledgment except that required by the Postal Rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received.

APPLICATIONS PREPARED IN MANUSCRIPT OR TYPEWRITTEN FORMS OR FORMS INTENDED FOR OTHER EXAMINATIONS WILL NOT BE ACCEPTED.

10. Any candidate who communicates with the Examiners or who does not behave properly towards the Chief and Assistant Superintendents of the Examination or is suspected of having had recourse to malpractice of any kind in connexion with the examination, or whose answer papers contain objectionable matter is liable to have his examination invalidated and also to be debarred from appearing again for the examination for such term of years as the Secondary School-Leaving Certificate Board may think fit or if the Board is not satisfied, for any reason whatsoever, as to the trustworthiness of his results, his results may be cancelled or he may be required to undergo a re-examination at some future date to be fixed by the Board in any one or more of the subjects of the examination, for which he appeared, his success or failure being determined on the results of such re-examination.

In submitting an application for admission to the examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination including the following:—No revaluation of answer papers is permissible and no notice will be taken of any communication asking for information as to the cause of failure from candidates or from persons on their behalf.

The scale of fees for this additional Practical Test is three rupees (Rs. 3) only for the Lower grade and six rupees (Rs. 6) only for the Higher grade.

NOTE.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

9. (a) Candidates who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full examination fee.

NOTE.—Candidates coming under this category must specify to this effect in their applications.

(b) Where the subject is one in which the examination is divided into stages—for example, Tailoring—candidates having failed in one or two sections in the subject and grade may come up in that section or sections on paying the full examination fee that is prescribed for that particular grade they wish to apply.

10. (a) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fees, should send in (so as to reach this office on or before the dates specified under paragraphs 18 and 19) their applications through the head of the office, in which they are employed, together with a certificate from the appointing authority to the effect—

(i) that the candidate is at the time of the application undergoing probation and training and that a pass in the Government Technical Examination (subjects with grade to be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees:—

(1) the specific clause [vide (i), (ii) and (iii) above] under which the applicant's case is covered;

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees; or if the fee paid was ever at any time previous to this refunded to him the year and the session of examination to which such refund related as also the amount of refund made.

(c) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidates to obtain one afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required above, the applicants will distinctly understand that their cases will not be considered.

11. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Reserve Bank of India and the receipt given by the Treasury Officer or the Reserve Bank of India attached to the application which must in every case reach the Commissioner's office on or before the 31st August 1943.

NOTE.—A candidate in an Indian State may obtain a draft on the local branch of the Imperial Bank paying therein the examination fee as well as the commission for the draft and send it to this office along with the prescribed form of application duly filled in.

When the examination fees on behalf of pupils of an institution are remitted in a lump sum a consolidated bank draft may be obtained and the same should be sent to this office along with the application of the candidates together with a list showing the names of candidates and the amount collected from each of them.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date (vide also paragraph 18).

13. On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt so obtained to this office at once—care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

14. The fees paid, will not, ordinarily, be refunded or will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid, be returned. Candidates are warned to study the Notification carefully and satisfy themselves before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.

24. The occupation or profession of candidates, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications.

NOTE.—Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose.

25. Heads of institutions are requested to see, before the certificate at the foot of the application form is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries and Commerce, Madras, as fitted to impart instruction in the Technical subjects and for the grades in them brought up by their pupils and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

P. N. CHAMU NAIR,
Secretary.

Office of the Commr. for Govt. Examinations,
Madras, 20th July 1943.

Secondary School-Leaving Certificates.

PUBLIC EXAMINATION, MARCH 1944.

Notice to "Private" candidates.

The ensuing public examination in connexion with the Secondary School-Leaving Certificates will be held on Monday, the 20th March 1944, and succeeding days. A time-table will be published in the *Fort St. George Gazette* early in March next.

2. Candidates who have appeared once for the Madras Secondary School-Leaving Certificate Public Examination may appear for subsequent examinations as 'private'

candidates. Candidates who have once appeared for the European School-Leaving Certificate Examination may also appear for the Madras Secondary School-Leaving Certificate Public Examination as 'private' candidates one year after their first appearance for the European School-Leaving Certificate Examination. *The rule cannot be relaxed in any year.* No special permission of the Secretary is necessary.

Under paragraph VIII (2) of the 1929 scheme for the Award of Secondary School-Leaving Certificate, the number of times which a candidate may appear for the Public Examination is limited to three on the whole.

Candidates who appeared for the Public Examination in 1931 or previous years will, for the purpose of this rule, be treated as having appeared for the Public Examination once, whatever may be the number of times they might have sat for the examination, and will be eligible for re-examination.

There is no further chance for a candidate who has appeared three times either as pupil or as private candidate for the Secondary School-Leaving Certificate Public Examination reckoning from 1931.

3. No person who is eligible to appear for the examination as a 'private' candidate with reference to the above paragraph will be admitted as such, if his name is on the rolls of a school during any part of the school year 1943-44, even a day's attendance recorded in the school year will disqualify a candidate to appear as a private candidate. THE APPLICATIONS OF PRIVATE CANDIDATES SHOULD BE ACCOMPANIED BY SECONDARY SCHOOL-LEAVING CERTIFICATES, TREASURY RECEIPTS AND 'TRANSFER CERTIFICATES' OBTAINED FROM THE INSTITUTION WHEREIN THEY LAST STUDIED, AS OTHERWISE THEY WILL RUN THE RISK OF BEING REJECTED.

4. Candidates will be examined only under the 1929 scheme.

(a) The names of all subjects in which they wish to be examined should be written in the appropriate column exactly as described in the scheme.

NOTE.—The language through which the question papers in the several non-language subjects will be answered should invariably be specified against each subject in bracket as follows :—

"Elementary Mathematics (in Telugu)."

"Outlines of History of England and India (in Malayalam)," etc.

If the language is not specified, it will be taken for granted that the medium of the answers will be English.

(b) For information regarding text-books in English and other languages, Special Periods in History of England and in History of India, etc., the notifications relating to the examination under the scheme published from time to time in Part I-B of the *Fort St. George Gazette* must be referred to.

(c) For any further information that may be required and for the syllabuses for the several subjects, candidates are referred to the notification and examination rules regarding secondary school-leaving certificates, copies of which can be had on payment at the Government Branch Press, Mount Road, Madras. No copies can be had from this office.

(d) Candidates who do not intend to undergo a University Course of study, may bring up the subject or subjects in which they obtained low marks at a previous examination with a view to improve their certificates provided they fulfil the prescribed conditions of admission to the examination.

5. (1) All mufassal candidates should apply for the required application forms to the officer in charge of the treasury of the taluk of which they are residents or of the district to which they belong. If application forms are not available at the taluk sub-treasury, they should apply immediately to the Treasury Officer of the district. Candidates in the Pudukottai State should obtain the same from the Resident's Treasury, Trivandrum; those in Bangalore from the Hon'ble the Resident's Treasury, Bangalore; and those in Mercara from the Commissioner of Coorg, Mercara. *Candidates who are residents of Madras should apply for application forms to the office of the Commissioner for Government Examinations, Madras, and not to the Collector of Madras.*

NOTE.—An addressed envelope (with the required postal stamp affixed) should invariably accompany all requisitions for forms of application. No notice will be taken of a requisition not accompanied by a stamped envelope.

N.B.—No notice will be taken of any application from mufassal candidates requesting to be supplied with application forms from this office.

(2) *Fees to be paid.*—The fee to be paid by each candidate appearing for the Public Examination is Rs. 15; the fee for re-examination in a subject or subjects in which a candidate has already been examined by the Board is also Rs. 15, but a candidate who merely presents additional subjects in which he has not been examined previously will have to pay a fee of Rs. 3 for each, provided that no one will have to pay more than Rs. 15 on any occasion.

N.B.—Change of second language (for instance from Sanskrit to Telugu or from Tamil to Telugu under group A) cannot be considered as a fresh subject for purposes of this rule. Candidates who wish to appear with such a change in the second language under group A should remit Rs. 15.

(3) The prescribed fee must be paid into a Government treasury in the mufassal and into the Reserve Bank of India, Madras, at Madras. No fees will be received in the Commissioner's Office.

6. (a) Candidates will have to sit for examination at one of the institutions which present pupils for the Secondary School-Leaving Certificate Public Examination. The institution selected should be the one nearest to the place where the candidate is employed, or if he is not employed, nearest to his place of residence.

(b) Hall tickets will be issued to all 'private' candidates in March next. They should sit for the examination at the centre mentioned in the tickets and not in their applications. Candidates should take the tickets with them to the examination hall and should show them to the Superintendents whenever demanded by them. No notice will be taken of any letter from any candidate requesting to note the change in his address. They should request the postmaster concerned to redirect any communication from this office to their new address, if any.

7. Candidates should send in their applications direct to this office not later than the 30th September 1943 after which date and for fifteen days only, applications will be entertained on payment of a penal fee of rupee one and no such applications will be entertained after the lapse of fifteen days from the prescribed date. THE TREASURY RECEIPT FOR THE FEE PAID, THE 'TRANSFER CERTIFICATE' AND THE SECONDARY SCHOOL-LEAVING CERTIFICATE SHOULD BE SECURELY FASTENED TO THE APPLICATION. THE COVER CONTAINING THE APPLICATION SHOULD BE SENT TO THE UNDERSIGNED, POST PAID, SUPERSCRIBED AND ADDRESSED AS FOLLOWS:—

"Application for admission to the Secondary School-Leaving Certificate Public Examination—Private candidate."

To

The Secretary to the Secondary School-Leaving Certificate Board, Cathedral Post Office (Madras)."

Insufficiently stamped covers will be rejected.

TO ADMIT OF THE APPLICATIONS REACHING THE SECRETARY, S.S.L.C. BOARD, ON THE DUE DATE CANDIDATES SHOULD REMIT THEIR FEES SUFFICIENTLY EARLY, EVEN THREE OR FOUR DAYS BEFORE THE LAST DAY SO THAT THE APPLICATIONS TOGETHER WITH THEIR ENCLOSURES MAY REACH THIS OFFICE ON OR BEFORE THE APPOINTED DATE FOR RECEIPT OF APPLICATIONS.

8. The fee paid will not ordinarily be refunded, nor will it be reserved for a subsequent examination. Candidates are warned to study the notification very carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination.

9. Candidates anxious to assure themselves that their applications have been received should enclose an addressed postcard in their respective applications. The postcards should bear the sender's address only and no other writing. Such postcards will be returned to them in due course with the rubber stamp of the office impressed upon them. No other form of acknowledgment except that required by the Postal Rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received.

APPLICATIONS PREPARED IN MANUSCRIPT OR TYPEWRITTEN FORMS OR FORMS INTENDED FOR OTHER EXAMINATIONS WILL NOT BE ACCEPTED.

10. Any candidate who communicates with the Examiners or who does not behave properly towards the Chief and Assistant Superintendents of the Examination or is suspected of having had recourse to malpractice of any kind in connexion with the examination, or whose answer papers contain objectionable matter is liable to have his examination invalidated and also to be debarred from appearing again for the examination for such term of years as the Secondary School-Leaving Certificate Board may think fit or if the Board is not satisfied, for any reason whatsoever, as to the trustworthiness of his results, his results may be cancelled or he may be required to undergo a re-examination at some future date to be fixed by the Board in any one or more of the subjects of the examination, for which he appeared, his success or failure being determined on the results of such re-examination.

In submitting an application for admission to the examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination including the following:—No revaluation of answer papers is permissible and no notice will be taken of any communication asking for information as to the cause of failure from candidates or from persons on their behalf.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., F.E., B.E., B.Sc., B.Sc. (Ag.), Pre-Registration, B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations, and Oriental Titles Jyotisha Examinations.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books to the Examiner concerned on the first day of the practical examination and to get them back at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer books. In the case of subjects like Mathematics and Physics where rough working happens to be necessary, the regular answers

to questions may be limited to three-fourths of each page, the remaining portion (a fourth of the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATING TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CHEPAUK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from the Principal of a constituent or affiliated college, the Headmaster of a recognized High School, or from a responsible officer of the Government not below the rank of a gazetted officer.

N.B.—Candidates should write on both sides of the answer-book.

University Buildings, Chepauk,
Madras, 17th August 1943.

Instructions to candidates appearing for the examinations to be held from September 1943 to January 1944.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., F.E., B.E., B.S.Sc., B.Sc. (Ag.), Pre-Registration, B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations, and Oriental Titles Jyotisha Examinations.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books to the Examiner concerned on the first day of the practical examination and to get them back at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer books. In the case of subjects like Mathematics and Physics where rough working happens to be necessary, the regular answers to questions may be limited to three-fourths of each page, the remaining portion (one-fourth of the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If

the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATING TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CHEPAUK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from the Principal of a constituent or affiliated college, the Headmaster of a recognized High School, or from a responsible officer of the Government not below the rank of a gazetted officer.

N.B.—Candidates should write on both sides of the answer-book.

In cases other than those where the test is prescribed as part of probation and training, the free concession is limited to two chances for each test. Failure to sit at an examination after sending in an application will not operate to exclude that examination from the number of free chances allowed, unless the officer was unable to sit for the examination on medical grounds certified by a District Medical Officer or unless the head of his department certifies that he was prevented by urgent official business.

(c) In the case of tests for which no fees are payable and which are required to be passed for promotion to higher posts, the concession to apply without payment of fee is restricted to two applications for each test. (b) The fee paid by a candidate will ordinarily not be refunded. Candidates are therefore warned to satisfy themselves, before sending in their applications, that they are eligible under the rules in force to be admitted to the tests for which they apply, that the applications are in the latest form prescribed, that the particulars required in the form are supplied fully and correctly and that their applications are submitted through their superior officers sufficiently early so as to reach the office of the Commission before the date prescribed in paragraph 10 below.

NOTE.—In the case of defective applications not admitted by the Commission and in cases in which candidates absent themselves from the examination and the Commission is satisfied that their absence was unavoidable and due to causes for which they were not responsible, the amount of the fee, on application made by the candidates, will be adjusted towards the fee for another examination if the candidates are eligible to appear for such examination. No such adjustment will be made in respect of applications received after the date prescribed in paragraph 10 below.

N.B.—A candidate anxious to assure himself that his application has been received should attach an addressed post card to his application. The post card will be returned to him in due course with the stamp of the office impressed upon it. The post card so received will not mean that the application has been admitted. The post card should bear the sender's address only and no other writing. No other form of acknowledgment except that required by the Postal rules regarding registered covers can be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. Insufficiently stamped covers will be rejected.

11. (a) Candidates should correctly fill up the particulars in the form of application, and write legibly.

13. A candidate cannot be allowed to change the place of examination named by him in his application unless application to change it is made on his behalf by the head of the office in which he is employed and it is also certified by him, or by the candidate's immediate superior, if the candidate is himself the head of an office, that the change is necessary in the interest of the public service or is otherwise unavoidable. *Such applications for change of centre should be made so as to reach the Commission's office not later than the 1st November 1943.*

A candidate changing his place of examination without the permission of the Madras Public Service Commission must be prepared to have his examination annulled.

14. A candidate who submits an application for admission to an examination will be deemed to have given an undertaking that he will abide by all the rules now in force and all rules which may hereafter be brought into force in respect of that examination.

15. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is found to have had recourse to malpractice of any kind will have his examination invalidated. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations, either permanently or for such term of years as the Commission may think fit; and if he is a Government servant, he will be reported to the head of the department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or bring influence to bear on an examiner or a member of the Commission or its staff in connexion with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

16. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination in one or more of the subjects of the examination for which he appeared, and his success or failure will be determined on the result of such re-examination.

Vice-President: The Director of Public Instruction, Madras (ex officio).

Secretary: Dr. C. Achyuta Menon, B.A., PH.D. (Lond.), Head of the Malayalam Department, University of Madras, Madras.

The main functions of the Bureau are—

(1) To furnish information and advice to Indian students going to England or other countries abroad for general and technological studies.

(2) To circulate to colleges and other educational institutions in India information of a helpful character collected by the Central Bureau in London concerning the educational, financial and social facilities obtaining in educational centres outside India.

(3) To communicate with the Central Bureau on behalf of students before they start or on behalf of their parents when they are abroad.

(4) To advise prospective candidates for the Indian Civil Service and other competitive examinations held in Delhi.

Students of the Madras Presidency—and of the Indian States whose colleges are affiliated to the Madras University—who contemplate going to England or other countries for further study, and relatives and friends of those who have already gone, are invited to correspond with the Secretary, Room No. 6, New University Buildings, Chepauk, Madras, from whom all necessary information can be obtained.

As all private applications from students sent direct to the Educational Adviser in London or to Educational authorities in Great Britain are forwarded to the Secretary of the Madras University Students' Information Bureau for his enquiry and recommendation, much inconvenience and delay will be saved for students by their getting into touch with the Secretary at Madras.

The Bureau maintains a small library consisting of the prospectuses, syllabuses and calendars of educational institutions and Universities in Great Britain, America and other countries, and students and other enquirers will be allowed the use of the library on all week days—excepting holidays—between 11 a.m. and 4 p.m.

Candidates seeking advice from the Secretary of the University Students' Information Bureau may interview him by previous appointment between 4 and 5 p.m. on working days in the New University Buildings, Chepauk.

No. 491-D/34, dated 18th July 1934, published on page 378 of Part I-B of the *Fort St. George Gazette*, dated the 24th July 1934, and with reference to the syllabus in Typewriting—Higher Grade (Oral and Practical portions only), the following list of duplicating machines that have been approved for use in connexion with the Government Technical Examinations is published for the general information of the heads of commercial institutions in the Presidency and in the Indian States and of the candidates offering themselves for the examination:—

- 13 Ellams Duplicator B-19 Model.
- 14 Copygraph Duplicator.
- 15 Standard Model No. 7, Duplicator.

10. The knowledge of the duplicating machines mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examination of January 1935. They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the particular kind of typewriter which they used while answering the written test.

11. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall, their own tables, chairs or stools, if they choose; provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the right hand corner of their answer papers and the particular kind of Typewriter they use at the left hand corner, typed before the question paper is given to them.

12. Candidates are strictly told, not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

13. The candidates will, if necessary, be examined in batches but at least every four candidates for the Lower grade, at least every two candidates for the Higher grade, must have one machine among them.

14. Managers and Instructors of institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

15. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

16. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

17. A similar concession will be allowed in the case of a private candidate, if he has someone outside who is willing to inspect the machine and put it right, etc.

18. No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.

In the Mufassal.

19. Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned four days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

20. Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates elect to appear) will be issued on Monday, the 18th October 1943, between 11 a.m. and 4 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only, if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the 18th October 1943, with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. No tickets can on any account be sent by post whether to heads of institutions or to private candidates.

21. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

22. Candidates for the Higher grade may appear for the first or second batch at their option and no tickets accordingly are issued for this grade.

23. Instructor's Hall Ticket.—Managers or Instructors of institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on the 18th October 1943, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Both at Madras and in the Mufassal.

Attention is particularly drawn to the following rules

24. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

25. No candidate suffering from any contagious disease will be admitted to the examination hall.

26. With a view to prove their identity to the Chief Superintendent of the examination, candidates will be required to produce, on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official. Candidates appearing from recognized or approved schools should also obtain a similar certificate from the head of the institution concerned.

The following form of identification certificate is prescribed :—

1. This is to certify that the bearer.....
(son of)
(daughter of)
is known to me and that ^{he}_{she} is a bona fide candidate appearing for the Government Technical Examinations in....
.....(subjects with grades have to be specified).

2. The signature of the candidate affixed below was taken in my presence.

Signature of the candidate.

Date.

Signature with designation or address.....

Date.....

27. Candidates are requested to note carefully whether their names have been printed in the nominal list and satisfy themselves whether particulars printed tally with those as given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

28. No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind. Any candidate detected in the violation of this rule or detected in speaking to or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith, and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

29. Strict silence should be maintained in the examination hall.

30. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

31. No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

32. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

33. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidate has been writing.

34. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examinations.

35. No candidate will be allowed to exceed the time assigned to each paper.

36. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

37. The answer papers should be stitched or pinned together at the upper left-hand corner, and the whole folded into two, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used) should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[N.B.—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even anyone of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent up without the candidate's register number and name of centre will not be valued.]

38. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves *(including their address)*, and furnish such evidence as may be available of their having applied for admission to the examination at the proper time and paid the prescribed fee. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of their own.

39. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

40. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connection with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

41. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

42. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the Fort St. George Gazette. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for revaluation of the answer papers will not be attended to. No revaluation of answer papers is permissible.

Students of the Madras Presidency—and of the Indian States whose colleges are affiliated to the Madras University—who contemplate going to England or other countries for further study, and relatives and friends of those who have already gone, are invited to correspond with the Secretary, Room No. 6, New University Buildings, Chepauk, Madras, from whom all necessary information can be obtained.

As all private applications from students sent direct to the Educational Adviser in London or to Educational authorities in Great Britain are forwarded to the Secretary of the Madras University Students' Information Bureau for his enquiry and recommendation, much inconvenience and delay will be saved for students by their getting into touch with the Secretary at Madras.

The Bureau maintains a small library consisting of the prospectuses, syllabuses and calendars of educational institutions and Universities in Great Britain, America and other countries, and students and other enquirers will be allowed the use of the library on all week days—excepting holidays—between 11 a.m. and 4 p.m.

Candidates seeking advice from the Secretary of the University Students' Information Bureau may interview him by previous appointment between 4 and 5 p.m. on working days in the New University Buildings, Chepauk.

No candidate suffering from any contagious disease will be admitted to the examination hall.

2. Candidates are requested to note carefully whether their names have been printed in the nominal list and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the examiner.

3. Candidates whose names are not in the printed list must submit a written declaration through the examiner giving particulars in regard to themselves including their addresses, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The results of such candidates will not be announced unless it is clear that the omission of their names is due to no fault of theirs.

4. With a view to prove their identity to the examiner, candidates are required to produce on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official.

The following form of identification certificate is prescribed—

(1) This is to certify that the bearer—

5. Strict silence should be maintained in the examination hall.

6. No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind. Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with or copying from, each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith and his conduct reported to the Principal, Medical College, Madras, for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines, will, however, be allowed.

7. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All "spoilt" copies, etc., should be left on the desk where the candidate has been writing.

8. Any candidate who does not behave properly towards the examiner or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Principal, Medical College, Madras, for such term of years as the Principal may think fit; or, if the Principal is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Principal in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

9. Candidates are forbidden to communicate with the examiner; should they do so, their answer papers will not be valued and further their conduct will be reported to the Principal for any action that he may deem fit.

10. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. 18. No candidate will be allowed to exceed the time assigned to each paper.

19. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

20. The answer papers should be stitched or pinned together at the upper left hand corner, and the whole folded into two: lengthwise (not crosswise into four). The register number, the place of examination and also the particular paper or test answered, should be written out clearly by the candidates on the top right hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[N.B.—(1) Candidates are strictly forbidden to write their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent up without the candidate's register number and name of centre will not be valued.]

21. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind or whose answer papers contain objectionable matter is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

22. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

23. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, first and second, will be published in the *Fort St. George Gazette*. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from unsuccessful candidates or their persons on their behalf asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. University Buildings, Chepauk,
Madras, 30th November 1943.

Instructions to candidates appearing for the examinations to be held in March-July 1944.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination hall till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the hall during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so, their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

Candidates are strictly prohibited from smoking in the examination hall.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION HALL ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION HALL. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE HALL FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., F.E., B.E., B.S.Sc., B.Sc. (Ag.), Pre-Registration B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations, and Oriental Titles Jyotisha Examinations.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books to the Examiner concerned on the first day of the practical examination and to get them back at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer-books. Candidates are expected to write at least 20 lines to a page. In the case of subjects like Mathematics and Physics where rough working happens to be necessary, the regular answers to questions may be limited to three-fourths of each page, the remaining portion (a fourth of the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books. Additional answer-books should be sparingly used, and will not be issued as a matter of course.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATING TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF

THE EXAMINATIONS. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CHEPAUK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from a Principal of a constituent or affiliated college, a Headmaster of a recognized High School, or from a responsible officer of the Government not below the rank of a Gazetted Officer.

N.B.—Candidates should write on both sides of the answer-book.

Instructions to candidates appearing for the examinations to be held in March-July 1944.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination hall till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the hall during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so, their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

Candidates are strictly prohibited from smoking in the examination hall.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION HALL ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION HALL. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE HALL FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., F.E., B.E., B.S.Sc., B.Sc. (Ag.), Pre-Registration B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations, and Oriental Titles Jyotisha Examinations.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books to the Examiner concerned on the first day of the practical examination, and to get them back at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer-books. Candidates are expected to write at least 20 lines to a page. In the case of subjects like Mathematics and Physics where rough working happens to be necessary, the regular answers to questions may be limited to three-fourths of each page, the remaining portion (a fourth of the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books. Additional answer-books should be sparingly used, and will not be issued as a matter of course.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables, and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which

they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATIVE TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CILPAK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATIONS. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from a Principal of a constituent or affiliated college, a Headmaster of a recognized High School, or from a responsible officer of the Government not below the rank of a Gazetted Officer.

N.B.—Candidates should write on both sides of the answer-book.
